*Mrs. Campbell...*

What a great start to our 2010-11 school year! Students in grades 5-12 met with Pastor Jim Thomas or teacher Mrs. Jean Thomas on Wednesday during chapel regarding appropriate clothing relating to Christian values, the SCCS dress code, and reflecting Christ in every area of their lives. Please be sure to take time to discuss appropriate clothing to be worn with your child. We want our students to honor God in all areas of their lives. If you have any questions or concerns about appropriate dress, please call me.
